PREMIER COUNTY AWARD

The scoring for the Premier County Award is 45% of the total conformation points plus 45% of the total showmanship points plus 10% of the herdsman competition score MINUS any penalty points that have been assessed to that group. Penalty points are actually deducted as a percentage and can certainly be detrimental to a team's standing.

Groups with more than eight (8) competitors will have its total conformation points and total showmanship points averaged and then multiplied by eight (8) to reflect a score comparable to the groups that are limited to a maximum of eight (8) competitors.
